

Archdiocese of Cincinnati Prays for Religious Liberty

The Archdiocese of Cincinnati calls parishes, schools and institutions to a time of prayer for religious liberty as church bells ring at **noon on Ash Wednesday, February 22**. A suggested prayer is provided below. May the toll of bells unite us in prayer for religious freedom for all people.

As we enter into this season of Lent preparing to celebrate the fullness of life in the resurrection of Jesus Christ, let our fasting and prayer bring to fulfillment religious freedom for all. May our intentional efforts to follow Jesus Christ in our Lenten practices of fasting and prayer, lead all civic and religious leaders to unite in seeking freedom for all people to live and practice their faith.

A Prayer for Religious Liberty (for individuals)

Blessed are you God and I praise you for the gift of freedom. This day, I pray especially for government leaders – the men and women elected or appointed as the stewards of our rights and the overseers of our needs. Grant them true discernment so that they may never stray from the duties with which we citizens have entrusted them to uphold our religious freedom and care for our well-being. Give me the power to touch with your truth everything and everyone I meet. We ask this through Jesus Christ our Lord. Amen.
